All items are priced per person. Prices include high quality paper and plastic disposables, kitchen equipment and staff, buffet tables, chaffing dishes and serving pieces. Removal of trash at time of departure is also included.

All food is prepared by our professionally-trained chefs on site at your designated location. Serving time is based on a two-hour session unless otherwise pre-arranged. Set-up and breakdown times will all vary based on necessary equipment and selection menu.

Prices are subject to 18% taxable service charge and 8% sales tax.

Professional bartending services are also available, please inquire when booking.

Allow us to arrange your rentals for a seamless event! Everything from tents, tables and chairs to china, flatware and glassware.

Visit our website to see our other affordably elegant catering options.
